

**REMARKS**

The specification has been amended to divide Fig. 7 into Figs. 7A and 7B. The application was originally filed with an informal drawing of Fig. 7. Due to the figure's detail, it was necessary, while formalizing the figure, to split the figure into two separate figures, and thereby necessitating the current amendment.

Further, the specification has amended to include the Application Serial Number of the related patent application.

As the Examiner has authority to enter amendments submitted after Notice of Allowance of an application when such amendments merely embody the correction of trivial matters which do not affect the scope of the claims as allowed, Applicants request this amendment be entered without withdrawing the case from issue.

It is submitted that the patent application is now in proper form to proceed to issue. Payment of the Issue Fee is enclosed herewith.

Should the Examiner have any questions or comments regarding the forgoing amendments, the Examiner is invited to telephone the undersigned at the number listed below.

Respectfully submitted,
